What a great couple!

Desta Burke, Rhonda Wood, and Lynn Vermillion pose for Spirit Week's "Nerd Day".

Craddock In Spot

The theme for this year's edition of the 1986-1987 Admiral yearbook is "In The Spotlight". This year's annual staff thought long and hard to come up with this theme. The theme reveals that Craddock High School students stand out in academics, athletics, and other school activities.

Why are these people smiling, do they know something we do

Deborah Eddlen and Shane Bennett.

Admirals The Light

This year's Varsity football team was put in the spotlight because they made it to the playoffs for the first time in the school's history, 58 years!!!! Congratulations Cradock faculty and students for a job well done — you have made Cradock proud!

Monique Price says the joke was taken too far!

Do these girls look happy to be in this picture or what?

We Salute You!

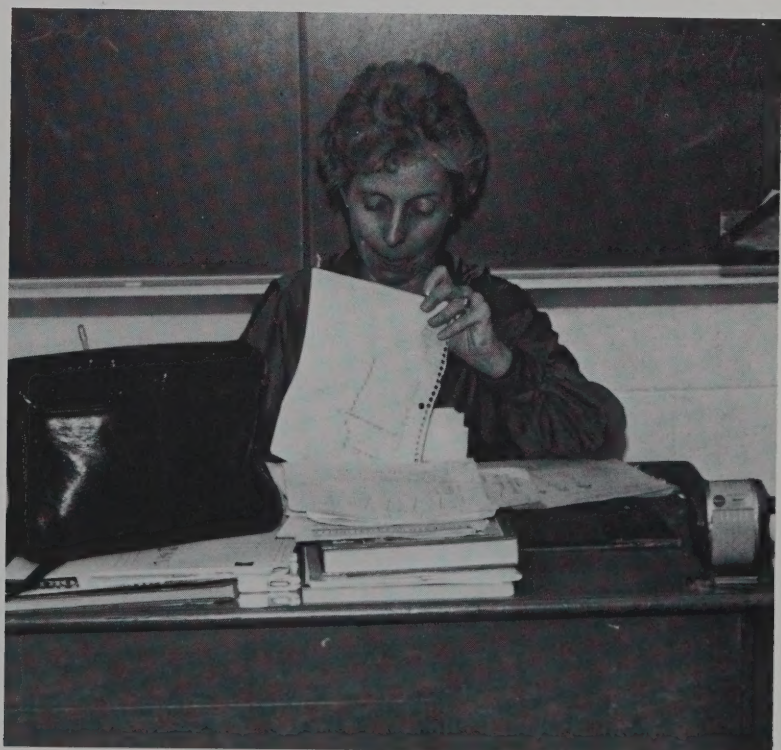

The 1987 Yearbook Staff is proud to dedicate this year's annual to a most deserving, hard-working and extremely professional member of Cradock's faculty, Mrs. Marie Callo.

Cradock High School has been fortunate to have Mrs. Callo on its staff since the fall of 1981. Since her arrival, she has busily involved herself in academic, professional, and extracurricular activities. She teaches French I-IV and has sponsored the foreign language club. She, for many years, served as the sponsor of the Junior Class. With her guidance and creativity, she has helped to produce some of the best proms Cradock has ever had.

Currently, she is serving as co-chairman of the Steering Committee. This is a most difficult job for she must oversee all the committees who are involved in evaluating the school. This position involves many, many extra hours of work.

Mrs. Callo is a member of the National Education Association, Virginia Education Association, and Portsmouth Education Association.

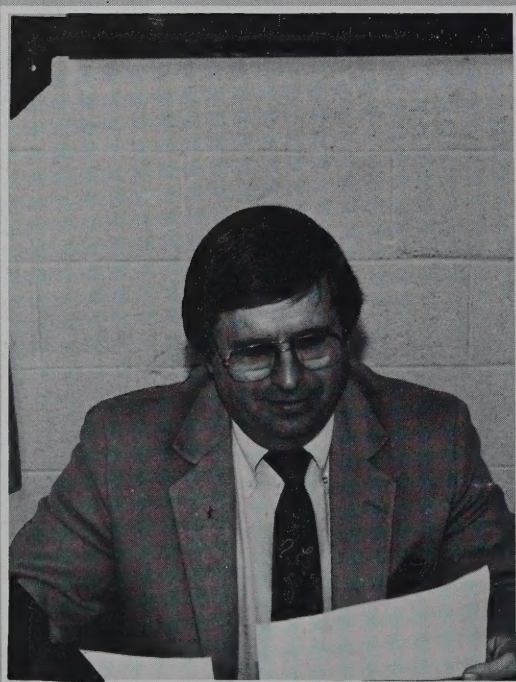

Her experience, professionalism, and hard work are greatly appreciated here at Cradock High School. We salute you Mrs. Callo.

Cradock's newest edition, **Mr. LaDaniel Gatling**, As-
sistant Principal.
B.S. NSU, M.A. Hampton University, Secondary Ad-
ministration, Guidance and Counseling.

In the administrative spotlight are Mr. Raymond Hale, Mr. David Joyner, and Mr. LaDaniel Gatling. Mr. Gatling is new to our staff this year. The administrative staff incorporated a new approach to discipline, that of reality therapy.

Using the new "reality therapy" approach was an adjustment for all concerned. Students are now responsible for their own behavior. They can no longer "pass the buck!" This new discipline program allows the students to portray more responsibility, and desirable behavior. Everyone is in agreement that the administrative staff has performed a fine job with discipline this year.

We are proud of the exceptional job that Mr. Hale, Mr. Joyner, and Mr. Gatling have done at putting our school in the center of the spotlight.

FACULTY

Faculty Takes The Stage

Jean Todd plans for tomorrow's history lesson.

Claudia Trueblood kicks back while counting money collected from yearbook sales.

Patti Rothenberger stands prettily at the Xerox machine.

Our faculty has had a very challenging time adjusting to the new methods of instruction. How do you tell someone who has been using their own methods for years to change the way they do their job?

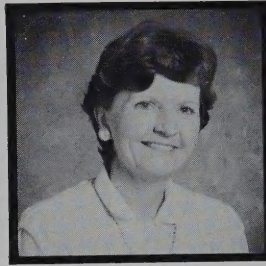

Amazingly, it has been working well. Our faculty has led us well with the necessary guidance needed. With their help, it has been an easy road to the high academic spotlight.

Contestants 1 and 2, Donald Clapper and Chris Quesenberry. What beautiful bodies!

Contestant Number 3, Matty Hines. Dolly Parton, if you could see me now!

Friday, June 6th, 1986 — the big day! It was the day in which the seniors could hang loose and really be themselves. The mood at the beginning of the assembly was a serious and somber one. Each senior marched out in single file in their graduation robes to the tune of "Pomp and Circumstance." Scholarships and awards were announced and received. Now the fun began! It was time for the class history and the last wills and testaments to be read. As Vernell Buffington, the class lawyer, read them, you could see quite a few red faces and people sinking into the bleachers. Quite a few insults were thrown at the underclassmen!

The senior skit was the hit of the day! Four senior boys dressed as beauty pageant contestants and imitated the Ms. Cradock pageant! What great bodies these guys have. The winner was the curvaceous Christopher Quesenberry. Congratulations Mr. Cradock!

The day concluded with a senior picnic out on the softball field. It was one of the final farewells the seniors bid the underclassmen at Cradock High School.

Stevie Wonder, eat your heart out!

Lights, Camera, Action

This year's theme was Lights, Camera, Action. Cradock was on the move!

At 8:00 a.m. on Friday, October 10, 1986, the Admirals joined together for an hour of fun filled excitement. At the pep rally the band played and cheerleaders cheered loud and clear, getting the players ready for the Homecoming game. All classes showed their spirit while trying to win the spirit stick. The stick was won by the eighth grade, a first time spirit victory for them!

At 2:15 p.m. the final bell rang, the halls were clear, and the buses were gone. Everyone came back for the Homecoming parade through Cradock Square at 4:00 p.m.

The moment of truth was finally here. At 7:30 p.m. the Cradock Stadium was filled as spectators cheered for the Admirals as they kicked off against the Churchland Truckers.

Everyone was curious about who would be crowned the 1986 Homecoming King and Queen as half time grew near. When halftime arrived, the floats rode around the stadium showing off their pretty decorations hoping to win a blue ribbon. The band began to play as the Homecoming court took their positions.

Finally, the moment of truth. The Most Original Float was awarded to The Art Club. The Best Carried Out Theme was also the Art Club, and the Best Looking Float went to Alf Mapp Jr. High. Finally the coronation of the King and Queen — Alex Lovejoy and Melvette Bellamy. Congratulations!

The field was cleared as we rushed off to celebrate the victory of 32 to 14 at the Homecoming dance. A great way to end Homecoming!

Thank You Cradock

The past few years, we will
never forget;
All that we've been through
here,
And the Challenges that we've
met.

You've been the center of our
life,
And our second home.
It is through you that we have
learned and grown.

You have molded us,
And taught us;
And made us what we are.
Leaving you now, with all
you've given us,
Will be very hard.

Now it's our turn to face the
world,
And show them what we've
got;
And thanks to you, Cradock,
We'll be showing the world
alot.

Our friends and memories at
Cradock High will live on
forever more;
From the day we walked in,
To the day we'll walk out of
Cradock's doors.

Thanks to you, we're ready for
the world.
And now we must part.
But, the memories or you,
Cradock High School;
Are forever engraved in our
hearts.

Ann-Marie Holland

Success!

It Finally Hit Us

All at once, we've looked around and found just how far that we have come, but, we've only just begun and it finally hit us all at once.

All at once, we'll miss all the friends that we have made through the years and then comes the tears and it finally hit us all at once.

As long as we've been here we've grown to love you more. Cradock High, we'll miss you dearly, because you've given so much joy.

All at once, it's time to say goodbye to all the things that we we have known. We'll soon be on our own. That's what finally hit us all at once.

As long as we've been here, we've grown to love you more. Cradock High we'll miss you dearly, cause you've given so much joy.

All at once, it's time to say good-bye to all the things that we have known; we'll soon be on our own. That's what finally hit us all at once.
Cradock High, we'll miss you all at once.

HOWARD AND ANTOINETTE

Who opens your eyes when you see them walk down the hall? Howard Poteet and Antoinette White, that's who! They seem to catch everybody's attention. They are considered to be the two best looking students of the Senior Class of '87'.

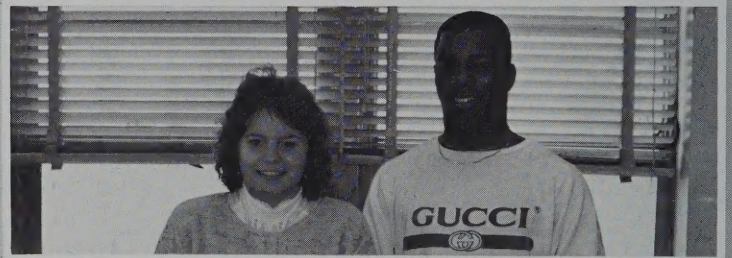

ALVIN AND RHONDA

Everybody knows everybody, right? Well, there are two people who everybody knows! They are, of course, Alvin Thome and Rhonda Wood. No party or any school activities would be complete without these two!!

ARMONDO AND DEBORAH

There are all kinds of people, from athletic to scholastic, but there are only two people who fit "best all around." Deborah Edelen and Armondo Ward are the pair that best fits this category.

BERNARD AND VERONICA

Fashion has changed our society a great deal. In today's society, we dress to impress. Bernard Hunter and Veronica Burney do just that! They seem to have a new outfit every day and compliment each one with the right accessories!

Superlatives

KEENAN AND GINA

Have you ever known anyone who could do just about anything and be good at it as well? The two people who come to mind should be Keenan Bailey and Gina King. They have been gifted with so many talents which separate them from the rest.

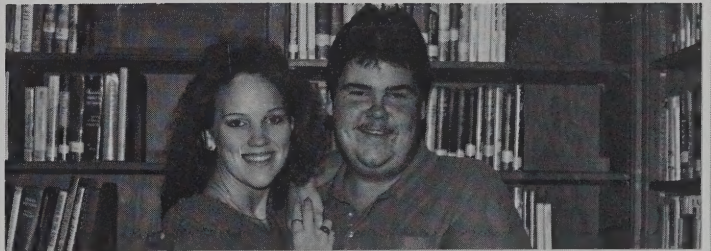

ALTON AND TERESA

That special walk and those flashy smiles could lead to trouble! If you're not careful, somebody might think you're flirting with them. In Alton Boone and Teresa Dail's case, they probably are!! They flirt with everybody!

AL AND JOY

Everybody could use a friendly face once in a while!! Why not try to find Alfred Lawson or Joy Fox when you do? They will cheer you up with their happy dispositions. After all, what are friends for?

JEFF AND MELINDA

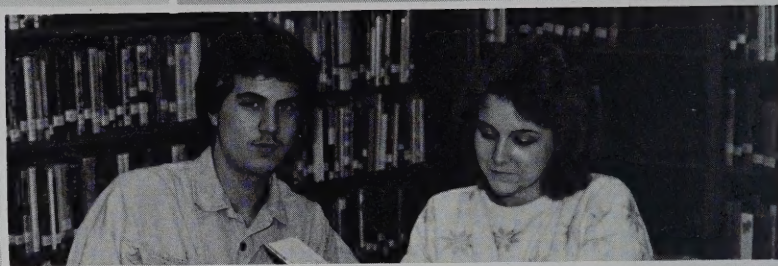

That certain person who means more to you than anything in the world is a wonderful experience! Some people were just made for each other. Jeff Marshall and Melinda Upton are a perfect example! They are, by far, the cutest couple of the Senior Class.

Impressive

JAMES AND MARY-BETH

Studying hard for a test or a quiz takes a lot of self-discipline. Besides all the hard work and determination, you have to be very ambitious. Also, to succeed, you have to want to succeed. James Hardee and Mary-Beth have shown that they want to be successful.

RONNIE AND MELVETTE

Talent, determination, and self-discipline all go along with being a great athlete. Being number 1 doesn't just happen overnight. Ask Ronnie Mills or Melvette Bellamy, they've worked hard to get where they are!!

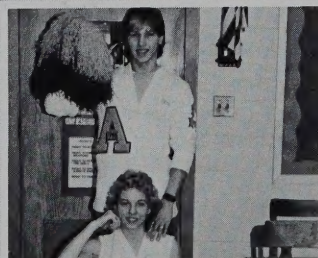

PETER AND SHARON

Can't get your work done? It's probably because Peter Cabonillas or Sharon Speller. They seem to joke and make you laugh all day long. It's a wonder the teachers show up for class!!

JOHN AND ANGIE

See anybody cheering the admirals on? If you come to any of the school activities, the two people who stand out from the rest are John Silverdahl and Angie Pilkington. You can hear them a mile away!!

Admirals!

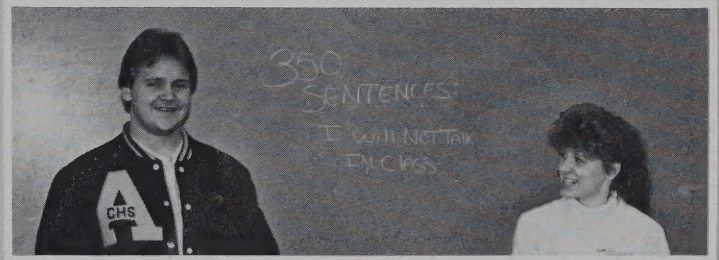

ANDY AND JENISE

How many people do you know that can get a job done fast? If you need a reliable person for an important mission who would you ask? The Senior Class would ask Andy Hall or Jenise Hyman. They can be trusted and are dependable.

MIKE AND JESSIKA

Nobody likes getting sentences, or detention for excessive talking, but how else can you get Mike Gizara and Jessika Barnes to shut-up! They are forever talking!

DONNIE AND BRIDGET

Have you ever been bullied? Well, if you have ever been in contact with Donnie Mullen or Bridget Jernigan you probably have! They don't even have to say anything to you, to make you want to stay clear of their path!!

PATRICK AND LISA

Why is everybody laughing? Patrick Weaver or Lisa Hill are around. They have that extra something that makes everyone laugh.

Decisions . . . Which ring shall we order?

Scott Kelly gets fitted for his ring.

THE JUNIOR CLASS

This year's Junior class was guided and directed by a new sponsor, Mr. H. David Willett. As soon as the school year began, the juniors were out working hard to raise money to produce the Jr.-Sr. Prom in the Spring. Their money-making projects consisted of doughnut, candy, and t-shirt sales.

In the fall, the Juniors ordered their rings from Jostens. A ring ceremony was held in the auditorium on December 9, 1986 to commemorate this special occasion. A delicious reception, catered by the Home Economics Class, followed the ceremony.

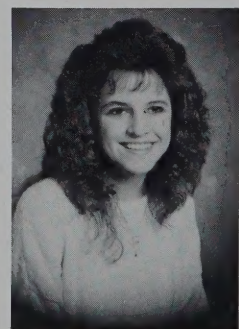

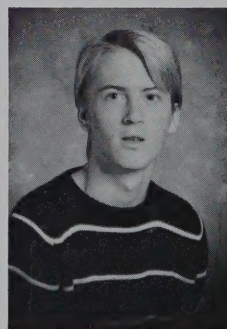

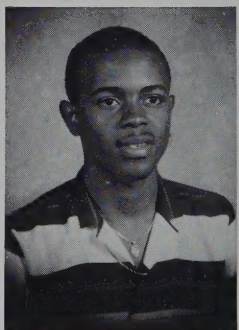

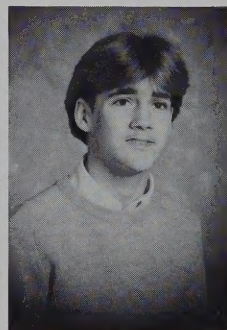

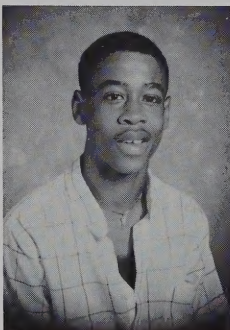

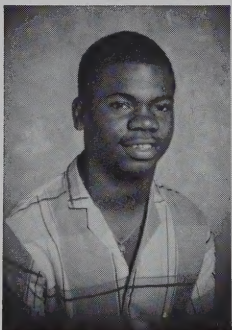

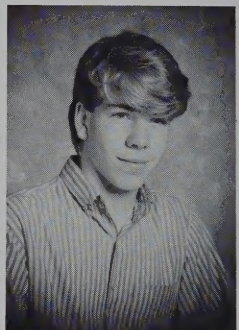

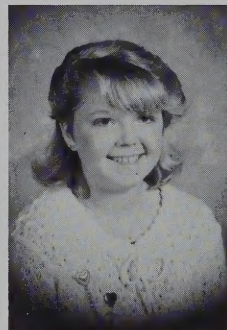

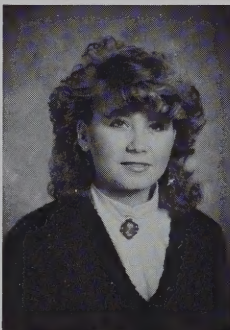

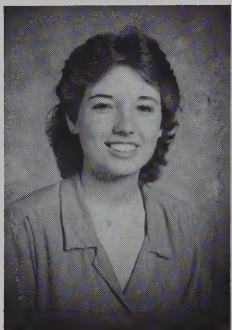

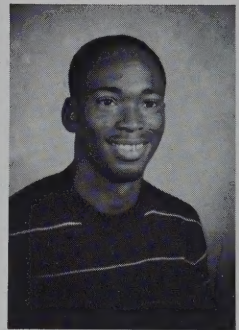

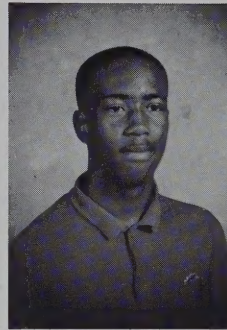

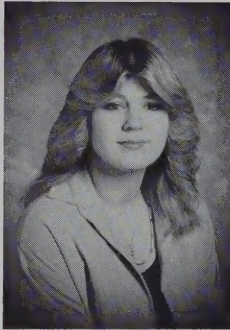

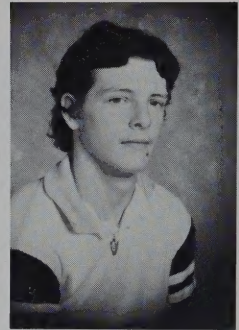

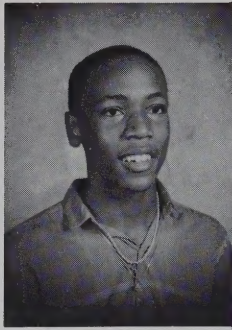

Along with these activities were the Juniors preparing for the PSAT Test and the college fair, College? . . . Not too far off in the future . . . Decisions, Decisions, Decisions!

Of course, the Junior Class could not have done all these activities without someone taking charge. The Junior Class Officers provided this responsible leadership, aimed at making the future class of 1988 the best class ever!

Connie Baron rushes to class.

Let's ROCK!!

The Junior and Senior Prom was held April 26, 1986. The money was raised by the Juniors. They paid dues of \$20 and sold jewelry. The Homecoming Dance, held in October, also helped make the "86" Prom a tremendous success.

Everyone seemed to enjoy the Bone Shakers, the band who played the music for everyone to dance to. They played everything from soul to Rock-n-Roll. Those Cradock students sure know how to shake a leg!!

This special evening could not have been a success without the dedicated workers who comprised the Prom Committee. Chairman was Angela Pilkington and committee members were: Jessika Barnes, John Silverdahl, Kathy Martin, Beverly Combs, Sandi Stegall, Kathy Mitchell and Samantha Kelley.

A very special thank-you to Mrs. Marie Callo, the Junior Class Sponsor, for a superb and very successful Prom!

The Steps Of Tradition

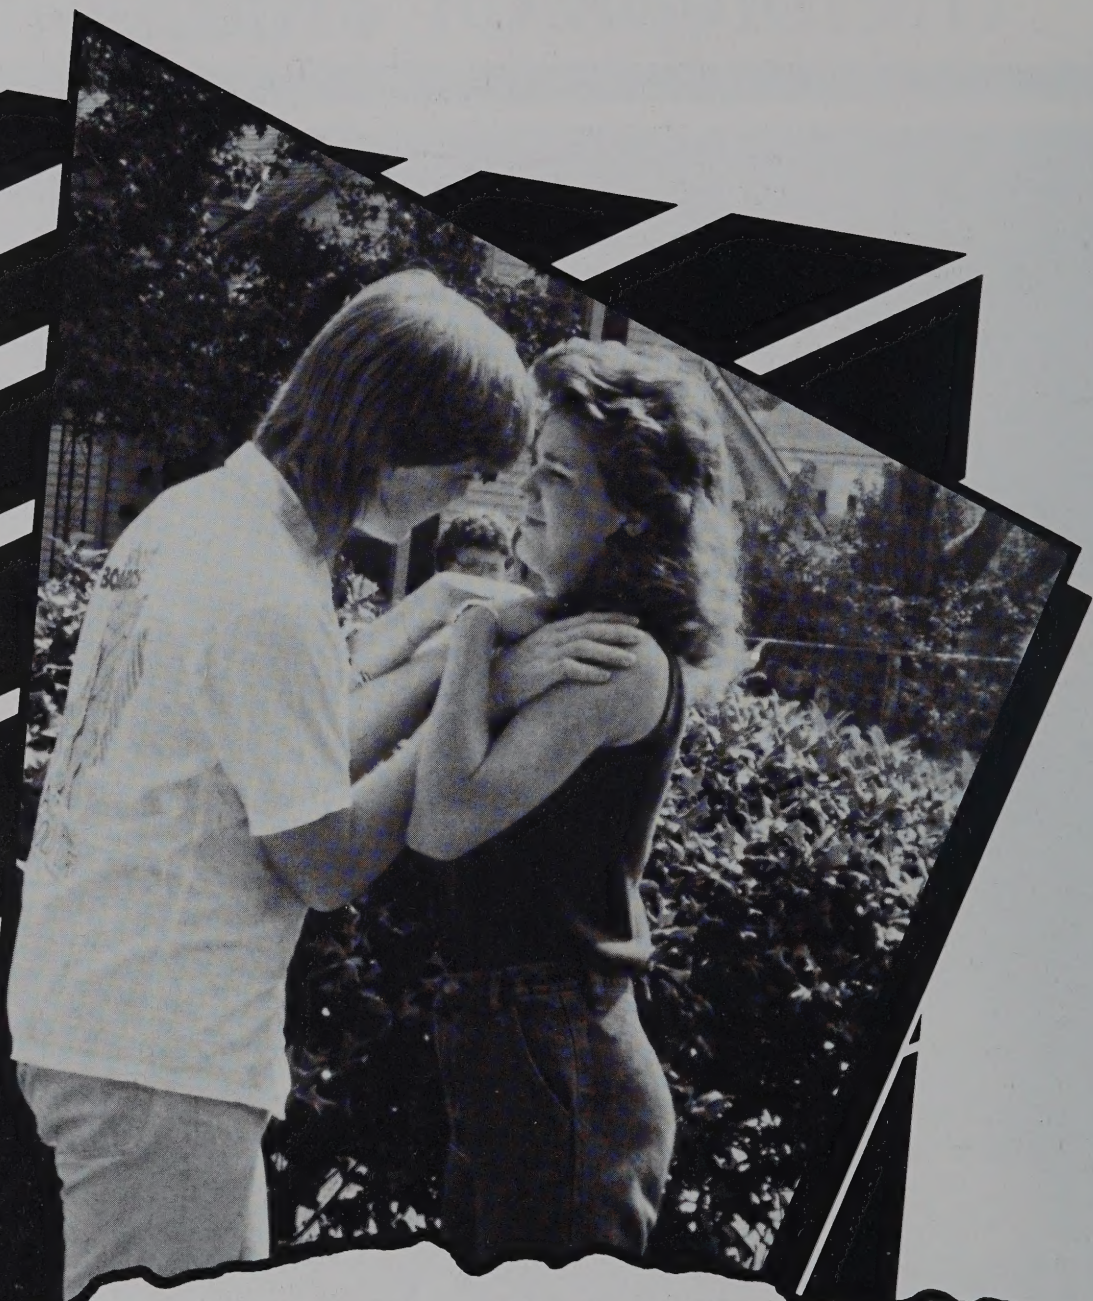

Junior Class Ring Ceremony

Tradition has established the annual junior class ring ceremony held every year here at Cradock High School. This year the special day was Tuesday, December 9, 1986. The ceremony was held in the auditorium during sixth period. After the traditional ceremony of each junior individually receiving their ring, there was a reception held catered by the catering class.

The juniors purchased their rings from Jostens; the average ring costing \$200. Afterschool jobs saved up allowances and alot help from mom and dad helped purchase these rings. However, this was a small price to pay for such a traditional and meaningful symbol of one's love for their school. A class ring is something that will always be treasured. They have been placed in time capsules and into outer space.

Tradition here at Cradock is that upon receiving your ring, friends turn it the number of times, minus one, of their graduating year. That last turn is saved for a special person on graduation night.

SOPHOMORES

Sophomores Win

The Class of 1989 started the year out with a bang. In October the class won the spirit chain at the Homecoming Pep Rally. This showed that though they were considered underclassmen, they had a lot of spirit and enthusiasm. Watch out upperclassmen, the sophomores are moving on up! The Sophomores selected Tara Barkley and Terrence Granger to represent them in the Homecoming festivities.

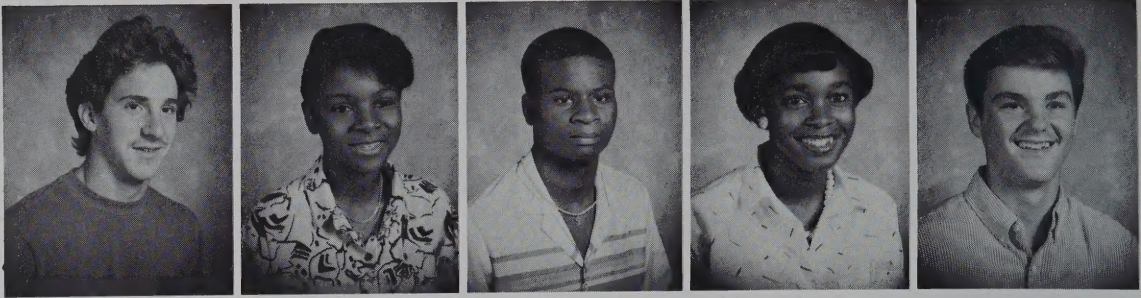

Sophomores were faced with many decisions such as whether or not to take a foreign language, a history elective, or join an athletic team. Decisions . . . Decisions . . . Decisions!

EIGHTH GRADE

The Class Of 1991

The eighth grade administrator, Mr. LaDaniel Gatling.

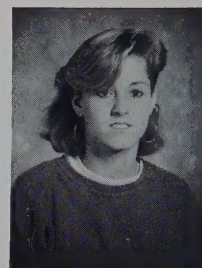

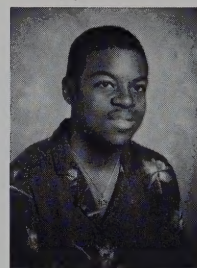

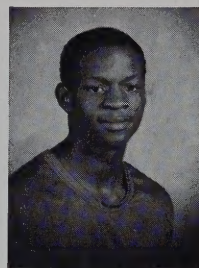

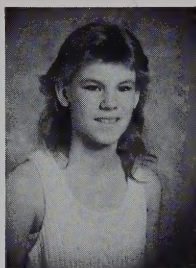

Entering the eighth grade is both an exciting and scary feeling. All summer long, the soon to be high school students, anxiously anticipated becoming high school students. This meant football games, basketball games, pep rallies, dating, and yes . . . EXAMS! But at the same time, entering high school as the underclassmen produced feelings of skepticism. Being the underdogs, the low men on the totem pole was not an exciting thought.

This year's incoming eighth grade class was smaller than the preceding years. In August, there was an orientation program in which they toured the building with the aid of SCA members and cheerleaders, meeting teachers, guidance counselors, and the administrators. An new administrator worked with the class of 1991, Mr. LaDaniel Gatling.

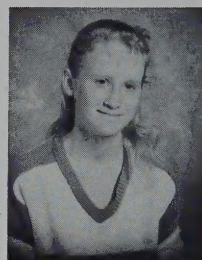

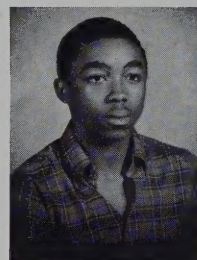

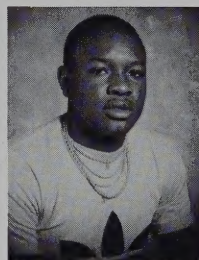

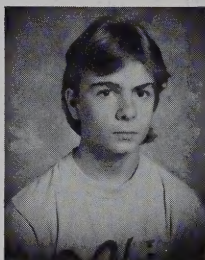

The Class of 1991 selected Makeba Milligan and Juan Dunn to represent them in the homecoming activities. This class showed alot of spirit and potential this year . . . watch out upperclassmen!

The Admiral Pep Club is a school spirit club under the leadership of Mrs. Joyce Dugan. Members are expected to attend all sports activities to cheer on the athletes.

Dues to belong to this organization are \$7 a year. This covers the cost of pom-poms and the rental of a bus to all away football games.

Thanks to this club, our athletic teams were cheered on with much pep and enthusiasm.

Annual Staff

The Annual Staff of 1987 was composed of practically all fresh-faced newcomers. With the exception of Editor Donna Mercado and Assistant Editor Alfred Lawson, the remaining members were all new editors to the staff. This did not matter though, because all staffers were eager to put forth much effort and endless hours of energy to produce a well organized and planned yearbook.

Yes, *hours and hours* are the basic requirements to become a member of the annual staff. The selling of advertisements to local businesses, the planning of layout sheets, the researching of clubs and their activities, and the following of athletic events and spoonfuls of creativity are the necessary ingredients to create a 184 page publication known as The Admiral. Teachers recommendations and the ability to type are two additional assets to becoming a successful member of the annual staff.

The 1987 Annual Staff was composed of seniors Donna Mercado, Alfred Lawson, Tulsa Silver, Pattie Williams, Lanatta Cook, T.J. Bell, and Kim Loulies. The Sophomore class was represented by David Shackley. Though not officially meeting with the annual staff sixth period, the yearbook staff was blessed with a few interested and dedicated members of the student body who contributed their special talents. Thanks to Lauri Carlsen and her photography, Angie DeBerry and her many layouts and to Bridget Jernigan and her typing expertise.

We hope everyone enjoys reading the 1987 annual. It was produced with the guidance of Mrs. Claudia Trueblood.

Joy To Many

The Children's Christmas Party — 1986

The Children's Christmas Party is held every year in the cafeteria at Cradock High School. This year the special day was Wednesday, December 17th. It held much joy and happiness for many underprivileged and needy children in the Portsmouth area.

Approximately twenty children attended this party. The support and purchasing of gifts and stockings was made possible by the various clubs and individual faculty members here at Cradock High School. Each sponsor was given a child's name and age in which they shopped for appropriate toys and prizes.

This party was made possible by the successful planning and the well organized preparation of the Student Cooperative Association. With the guidance of their sponsor, Mr. Alonso B. Fane, and dedicated time and effort of its members, this year's party was a tremendous success.

Look what Santa brought me!

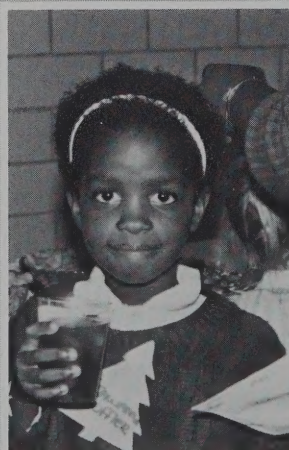

Isn't Santa cute?

ATHLETICS

Craddock's Athletes

Varsity

Admirals

The 1986 Varsity Football team could not wait for this season to begin. They wanted to lengthen their seven game winning streak from the previous season. On September 6, 1986 the mighty Admirals took the field in their home maroon and gold uniforms, ready to do battle in the wet and nasty conditions of Cradock Stadium. From the start any one could tell this would be Cradock's night. When the clock hit zero the final score was Deep Creek 25 Cradock 6. After this the Admirals turned their season around and beat the Braves of Indian River in a close game 14-13. The following week the Admirals also enjoyed victory again by beating Nasmond-Suffolk 21-6.

The Admirals then went on a two game road trip. First they played the Bruins of Western Branch, and this game was really no contest, as the Admirals blew out the Bruins with exceptional performances by Ronnie Mills, who threw over 220 yards passing and he also intercepted 2 passes on defense. Another star was Armondo Ward who returned a punt for a touchdown and caught a touchdown pass and he intercepted 2 passes. Another outstanding player was Alton Boone who caught 2 touchdown passes. Altogether this was a great team effort for the Admirals.

The following week the Admirals fell to a tough Oscar Smith team in the closing seconds. The final score was Oscar Smith 21 Cradock 20.

The Admirals were at home for a three game home stand. First the Admirals would face the Churchland Truckers on Homecoming night. The Admirals got back on the winning track by blowing away the Truckers of Churchland by 21 points, and a record was set by Armondo Ward who ran interception back 102 yards for a touchdown. This was also a team effort by the Admirals. The final score was 34 to 13.

The following week the Admirals were ready to face their old coach (Butch Biese) and the number one ranked Great Bridge Wildcats. The Admirals had set up their defense to the running attack of Kenny Gallop, but the Wildcats changed their plan after the Admirals knocked Gallop out of the game. The Wildcats came right back with a new runner Joe Bright, but the Admirals also knocked him out of the game. However, it was too late, the Admirals ran out of time and the final score was Great Bridge 27 Cradock 18.

The Admirals were upset at this loss and took it out on the Manor Mustangs by blowing them away, 32 to 6. This improved the Admirals record to 5-3. They were tied for second place. The key would have to be both their two opponents to make the Division 2 Playoffs. They did just what they had to do to make the playoffs by beating Wilson 14-8, and Norcom 14-6. The Admirals were in the playoffs to face Warwick at Todd Stadium in Hampton. The Admirals lost a tough game 20-8. The season was over but the Admirals made the playoffs for the first time in the school's history.

The Admirals finished with an 7 and 4 record, the best the school ever had. The seniors on the team were Andy Hall #7, Ronnie Mills #10, Alton Boone #20, Armondo Ward #22, Willie Williams #30, Andre Thorne #34, Glen Cooper #25, Arnold Thomas #21, Derek White #35, Jason Hines #44, Kenny Twine #45, Jeff Marshall #55, and Big Al Lawson #67.

Players on the team who received special awards this season were Jeff Marshall, Ronnie Mills, Armondo Ward, Mario Brunson, Alton Boone, Andre Thorne, Sherman "TANK" Rice. These players made the all Portsmouth team. Armondo Ward, Ronnie Mills, and Jeff Marshall made the all Southeastern District team. Ronnie Mills made the all Tidewater team.

This year's excellent coaching staff was led by Bob Parker, Scott Johnson, David Moss, Dave Williams, Dwayne Beale, Trent Smith, and Darin Bracey.

The yearbook staff would like to say a great job "ADMIRALS"!!!!!!!!!!!!!!

Junior Varsity Football:

The 1986 J.V. Football team finished their season with a 5-3 record under the guidance of David Moss, Trent Smith, and Darin Bracey. On offense, the team was led by quarter back — Johnnie Harrell. Top receivers were Diego Mullen, Leonard Jones, Lamont Flax, Lorenzo Coltrane. Top rushers were William Collins and Torrence Shepard. The offense was led by Eric Price, Jason Jones, and Stacey Kelly. The offense mainly moved through the air on the arm of Johnny Harrell.

This year's defense were headed by top pass rushers William Smithey, and William Collins. The top tacklers were Maurice Melson, Eric Britt and Lorenzo Coltrane. Their top defensive backs were Deigo Mullen, Eric Durham and Lamont Flax. The defense was led by a strong emotional group.

The 1986-1987 Varsity Boys Basketball team had both a triumphant year and a disappointing year. They participated in the Hornet Classic, also known as the Christmas Classic, December 18-20, at Deep Creek High School, where they finished fourth. They defeated Norcom, 83-69, and were defeated in a high scoring game with Deep Creek 93-111, and Cleveland 62-75.

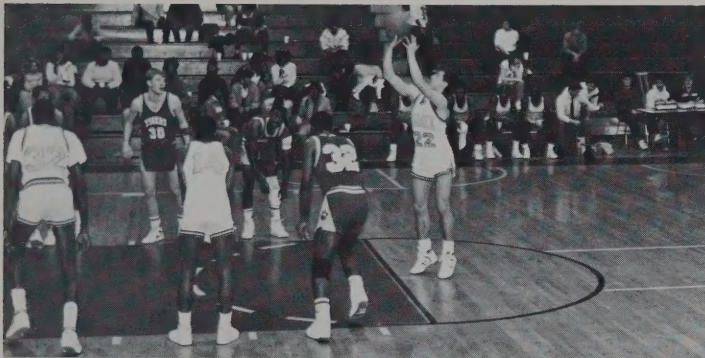

Ronnie Mills was the district's leading scorer champion with a 21.6 per game average. He was selected as Portsmouth's "Athlete of the Year" by Portsmouth's Sport Club and was honored at a banquet at the Elks Lodge Club. Derek "Doc" White finished eighth in the District scoring race.

The team's strengths were its high scoring guards, Ronnie Mills and Doc White. According to Coach Mac Carroll, the team's major weakness was its depth and size.

Fight for the ball.

This year's girls varsity basketball team was an academically superior one. It was composed of several honor roll students. This helped in the game plan.

Weaknesses of the team, according to Coach Scott Johnson, were the lack of intense playing for 32 minutes. The team worked to improve these skills and will continue to work to improve them next year.

Practices were held in the gymnasium, after school, Monday-Wednesday, and Thursday. Games were played Tuesday and Friday evenings.

The team's outstanding offensive players were seniors Melvette Bellamy and Lisa Clark. The outstanding defensive players were Estella Jones and Sherri Gray.

Coach Johnson is looking to a much improved team next season with a promising group of young players.

The 1987 J.V. girls basketball team had a great year considering that most players had no previous experience on the high school level. The defeated all Portsmouth schools except Norcom. The leading scorers were Elizabeth Neville, with 15.2 points per game and Sharyl Matthis with 8.5 points per game. Also this year the girls had a new coach, Mrs. B.C. Giddins, who did an excellent job.

The 1987 J.V. Basketball team had a great season. Jeff Baysmore was the leading scorer for the team. Jeff, only in the 8th grade, will be noticed at Cradock for many years. Trent Smith, new at Cradock, did a great job coaching the boys. Next year should be better than this year with coach Smith as the boss.

Jimmy Hall, at 98 lbs., a sophomore, and Issac Mitchell, at 105 lbs., a freshmen, were Craddock's best regional contenders. Future hopefuls include Jack Polson, 112 lbs., Steve Gwaltney, 119 lbs., and Joe Floyd, 126 lbs. The team as a whole got off to a fast start winning three matches in a row and four of their first six matches. The 1985-1986 Varsity Baseball Team rose to the occasion by winning the games they needed to last season, making them a south-eastern district contender. However, the Varsity Admirals lost games they should have won at the end of the season.

Tommy Kilpatrick was the varsity baseball head coach. The Seniors for last years team were Alan Foley, Mike Simmons, Joey Byrum, Jimmy Gorrell, Steve Vernon, Matty Hinds. Underclassmen were Scott Kelly, Anthony Abaya, Donnie Mullen, Joe Morgan, Howard Poteet, and Chris Smith.

The outstanding Senior award went to Alan Foley, the team's left-fielder. His expertise in this position and in hitting helped lead the team to many victories.

With the experience this team had, next year's baseball team should lead Cradock to a district championship.

We are cool and no one can defeat us!

The 1985-86 junior varsity baseball team went 5-8. Although the J.V. Admirals did not have a winning record, they had the hearts of winners. Coach David Moss said "we got a late start." Some outstanding players to look for next season are Danny Morton, Billy Quattlebaum, Keith Beamon, and Kevin Daniels.

Kevin Daniels was the leading hitter with a .472 batting average. Keith Beamon had 10 RBI's to lead the team. Chris Adams lead the team in runs that were scored with 8. Billy Quattlebaum was second on the team in hits and runs scored.

The '87 Lady Admirals softball team was led by senior captain Robin Gray, the only senior on the team. Robin has played on Cradock's team for four years. Mary Beth Rich was the only junior on the team. Sophomores who played on the team were Kim Kelsey, Tracey Smith, Penny Carter, Estella Jones, Jodi Barnett, and Robin Phillips. Freshmen players were Shannon Webb and Frances Seader.

Due to such a young team, this was a year for learning and constructing. Robin Gray received the Most Valuable Senior Award.

Watch out opposing teams! The young Lady Admirals are practicing to gain more knowledge and skill in fast pitch softball. The team was coached by Coach Willis Bell and Assistant Coach Jean Todd.

Joey Quattlebaum, our 1986-87 Admiral.

Being a cheerleader takes a great deal of determination and self-discipline. A cheerleader must sacrifice many of the things they want, and must alter their private schedules for the benefit of morning and evening practices.

While our summer vacation was spent lounging in the sun, theirs was spent practicing and learning new cheers.

Last summer was a very special one for Mrs. Joyce Dugan and all the cheerleaders. For it was the first time that Cradock has sent any of the cheerleaders to a cheering camp. Here they exchanged and learned new cheers from area schools.

Cheerleaders

The Junior Varsity Cheerleaders were "on the move" in 1986-1987. They helped initiate spirit for the junior varsity sports players and sold programs at the football games. They received new uniforms this year and worked with a new and very dedicated sponsor, Mrs. Susan Wachter.

The J.V.'s participated in Homecoming.
